

# Wetland Field Day at Sheldon Lake State Park

Date: 10/18/2012

Time: 10am-3pm

14200 Garrett Road,  
Houston, TX 77049

The Sheldon Lake Prairie Wetland restoration represents a new, unique approach to restoring critical freshwater wetland systems. Join the Field Day with:

- NEW presentations by local experts
- Site visit to individual wetlands
- CEU certificates available
- Lunch provided

Sheldon Lake State Park & Environmental Learning Center is a 2,800 acre outdoor education and recreation facility located in northeast Harris County.

**RSVP**
