

Wetland Field Day at Sheldon Lake State Park

Date: April 10, 2014

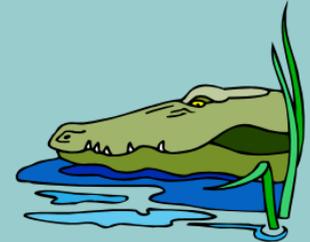

Time: 8:30am-3:30pm

14200 Garrett Road,
Houston, TX 77044

The Sheldon Lake Prairie Wetland restoration represents a new, unique approach to restoring critical freshwater wetland systems. Join the Field Day with:

- Presentations by local experts
- Site visit to restored wetlands
- Lunch provided
- CEU certificates available

Sheldon Lake State Park & Environmental Learning Center is a 2,800 acre outdoor education and recreation facility located in northeast Harris County.
