

EXPLORATION *Green*

Tree & Wetland-Plant Nursery Open House

SATURDAY, OCTOBER 4TH—9AM TO 12PM

Trees For Houston and the Texas Coastal Watershed Program, in conjunction with the Clear Lake City Water Authority and the Exploration Green Conservancy, will offer tours and provide information about volunteer opportunities in the nurseries, which are growing trees and plants for the new park.

The nurseries are accessible from the trail that heads northeast from the bridge on Neptune Lane, approximately 2 1/2 blocks northwest of Bay Area Boulevard.

For more information about the park, visit
